We pay our respects to the ancestral bloodline of the Massachusetts Tribe and their descendants who still inhabit historic Massachusetts territories today."

1. The committee reviewed and approved May 2021 ZWA meeting minutes
2. Priya read the land acknowledgement statement
3. Plastics subcommittee meeting update
  - a. How can we come up with business guidelines - low waste badges - focused on restaurants but could include other businesses was discussed - Margie's update
  - b. Larry recommends that we should put together something with a date to share with Chamber of Commerce - could serve as an incentive to get them to participate
  - c. Charlotte, Emily, and Meghan are working on a grant to come up with a directory
  - d. Paul talked about how we could try to work on single use plastics - educating people and/or e.g. plastic bottle bans. Larry recommended Paul to reach out to legislatures about has there been any headway in any town with banning plastics bottles in the large stores. 25 communities have banned it - the town has to commit to not using plastic bottles

- e. Bottle filling stations - something to discuss - outdoor options - Larry recommended taking it offline
  - f. Jeremy suggestion - Is it possible to require stores that sell bottled water to include a sign where the water is saying something like "Did you know the MWRA water from the tap in Arlington is considered some of the best and safest in the world?"
  - g. Meghan shared that there was a good number of people at the meeting with good energy.
4. Budget

  5. Earth to Arlington update
    - a. Viewers on the webinar cannot see the questions and only the answers so having it one place would be good.
    - b. Everyone thought it went really well
    - c. There should be just one place to put the questions
    - d. We should turn the chat option off so all questions can be in one place
    - e. We should start the planning earlier for the next one
    - f. We should also consider another time slot - maybe in the evening after work - Emily suggested 6:30
